

Members Only Briefing- Next Generation Access

Date: 24th June 2010

Time: 13:00-17:30hrs

Venue: BCS, London Office, Southampton Street, London

CMA's Next Generation Access survey results, 2010, will provide invaluable insight into the business requirements for broadband.

A post-election review by BIS officials on national broadband policy and plans.

There will also be an update and review of the latest Ofcom activities, the proposed changes in legislation and what the CMA is planning to do about the impact on its members.
